1. Mr. Parker, of the Bureau of the Budget, called me to state that the Bureau was forwarding its report on S. 2987 regarding a proposed Government training program, to the appropriate Congressional committees. In view of the CIA letter from DD/A to Mr. Roger Jones, dated 5 January 1952, Mr. Parker sought our clearance for the submission of his report insofar as the objections raised by our letter were concerned. I informed Mr. Parker of my conversation with Mr. Jones on this legislation contained in my Memorandum for the Record dated 23 January 1952, and subject to the qualifications set forth in that memorandum, concurred in the report insofar as CIA is concerned.

2. DD/A has approved Legislative Counsel's recommendation that no legislation be submitted to the Congress during the current session in the absence of any emergency.
